Sisters Cassie & Maggie MacDonald play an exciting and unique blend of traditional and contemporary Celtic roots music. With an innovative style, they achieve a perfect balance of musical integrity and sheer entertainment. While staying true to their Nova Scotia Celtic roots, they explore and test the boundaries of traditional music.

"Be it their foot percussion accompanying driving Nova Scotian sets, their perfect blend of sibling harmonies, added to a stunning interplay on various instruments, a musical evening spent with Cassie and Maggie is a great night, altogether" -Irish Music Magazine. Their new album, The Willow Collection "showcases not only their musical ability, but the depth and variety of their musicianship." Awards for these young musicians are already numerous.
